Dear Parent/Guardian:

Mulholland Middle School has been authorized by the California Department of Education to operate a Title I Schoolwide Program. As a result, the school receives resources from the state and federal governments that enable us to upgrade the entire educational program in order to help all students meet the challenging state standards.

A comprehensive needs assessment and an analysis of the student achievement data were conducted to develop a School Plan for Student Achievement. This was completed through the collaborative efforts of staff and parents. The schoolwide program includes strategies to raise the academic achievement of all students.

The following services are available from the school's Title I site-based resources to assist your child (examples are listed below):

- paraprofessionals
- class size reduction teachers
- additional support staff (nurse, librarian, PSA counselor)
- computers and technology
- tutoring and intervention
- teacher training

Please attend the annual Title I meeting to be held on Thursday, September 17 to learn more about the school's programs.
